Apologies, everyone, but I am on another call that is running a little long. Can we move our call back to 2:45?

Again apologize, someone in our office is out unexpectedly with a medical condition and I have to cover. Would it be possible to do this tomorrow? Basically any time after 12:30 would work. Sorry again for incontinence.

I apologize, have an unexpected conflict, and will have to reschedule our conference this afternoon. Any other afternoon this week would work. Sorry.
